Mission Statement

It is the mission of the Academy of Leadership and Technology at Mound to develop leaders and high achieving learners today to conquer tomorrow's challenges through creativity and problem solving.

Vision

The vision of the Academy of Leadership and Technology at Mound is to support the growth of all students to their next level of learning with high expectations for all. We will utilize technology, provide engaging and differentiated instruction, as well as enhance leadership, confidence, and good character. We will develop meaningful relationships with our students ensuring improved attendance, and establish an environment that energizes learning for our 21st century learners and leaders.

Goal 1: We will design an engaging and challenging curriculum that develops each student's ability to read, write, think, and defend.

Performance Objective 1: Increase Reading STAAR Level II performance by 10%, 25% for SpEd and at-risk groups, and advanced levels by 12% for all student groups; with a Level II goal of 90% and a Level III goal 20% in 2017.

Performance Objective 2: Increase Writing STAAR Level II performance 10% for all student groups, 25% for special education and at-risk student groups, and advanced levels by 10% for all student groups.

Performance Objective 3: Increase Math STAAR Level II performance by 10% for all student groups, 25% for SpEd and at-risk groups, and advanced levels by 15% for all student groups.

Performance Objective 4: Increase Science STAAR Level II performance by 20% for all student groups; with a Level II goal of 96% in 2017.

Performance Objective 5: 100% of Academy of Leadership and Technology at Mound teachers will use research based strategies to ensure student safety, increase healthy living, improve social awareness and meet their academic goals.

Goal 2: We will provide students with multiple avenues for specialized instruction and opportunities to advance at their own pace.

Performance Objective 1: Differentiated instruction will be provided for all students in order to increase the STAAR Advanced level for All Students in each subject area. This will be shown as evidenced by a reduction of at-risk by 20%.

Performance Objective 2: 100% of Academy of Leadership and Technology at Mound students will be provided transitional opportunities when moving from one grade to the next.

Goal 3: We will equip teachers with the resources, training, and time necessary to achieve our strategic objectives.

Performance Objective 1: In the 2016-2017, teachers will systematically participate in on-going professional development focused on improving student achievement.

Goal 4: We will establish a college-going culture on every BISS campus that intentionally prepares students for future endeavors.

Performance Objective 1: In the 2016-2017 school year, 100% of Academy of Leadership and Technology at Mound students will participate in programs aligned to College and Career Readiness.

Goal 5: We will offer educational programs of choice that will nurture students' unique talents and promote global citizenship.

Performance Objective 1: During the 2016-2017, The Academy of Leadership and Technology at Mound was opened as a school of choice with a focus on building leadership skills and equipping students with up to date technology skills so that 100% of students will engage in leadership building and technology programs daily.

Performance Objective 2: 100% Mound students will be given opportunities to explore talents and interests that connect to learning and future endeavors.

Goal 6: We will employ effective and efficient processes systems for student safety, attendance, and discipline.

Performance Objective 1: 100% of Academy of Leadership and Technology at Mound teachers will use research based strategies to ensure student safety, increase healthy living, and improve social awareness in order to improve their ability to meet their academic goals.

Performance Objective 2: Student average daily attendance rate at the Academy of Leadership and Technology at Mound will increase from 96.3% to at least 96.7%.
