## Student-Parent-Teacher Compact for 2018-2019

Academy of Leadership & Technology at Mound Elementary School provides a caring environment for students, staff, and parents to work and learn together. It is our belief that student learning and performance will improve as a result of our cooperative efforts to support this compact. It is important that each participant assumes his or her responsibilities in order to ensure student success and continuous improvement. Academy of Leadership & Technology @ Mound Elementary School and the parents/guardians of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that the School-Parent Compact must outline how parents/guardians, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents/guardians will build and develop a partnership that will help children achieve National and State high standards.
